**Principal’s Report**

**Pupil Free Day – 10th March**
The first Pupil Free Day for 2020 is next Tuesday 10th March. This is the day following on from the Adelaide Cup public holiday.

On the pupil free day, staff will be working with colleagues from Gilles Street Primary, North Adelaide Primary, Prospect Primary and Prospect North Primary Schools. The staff learning for the day, is centred on the DfE LDAM strategy – Learning Design Assessment and Moderation. In particular teachers will focus on English.

**Parent Teacher Interviews**
Parent Teacher interviews are valuable in developing a shared understanding of your child as a learner. In 2020 the interviews are scheduled from Week 10, Monday 30th March – Friday 3rd April.

The online booking system will open at 3:30pm Thursday 19th March and close at 3:30pm Friday 27th March.

**How to make a booking**
(from 3:30pm Thursday 19th March)

Step 2: Enter your details (email address and name), chose how many students you would like to book or enter your child(ren)'s name(s) and click Go.

Step 3: Choose the teacher you would like to meet with. You can choose 2 teachers in case you need to see a specialist teacher as well as a class teacher.

Step 4: You will then see the availability of the teachers for you to book a 15 minute interview. If you are booking more than one interview, please remember to leave a gap between them to allow for moving from one to the other.

Simply click on the interview time boxes and then click Go.

You will receive an email to the address you supplied in Step 2 confirming your time/s. You can add them to your calendar or change your bookings from the link provided.

If you do not have access to the online booking system you can contact your child’s teacher directly and ask them to book for you or you can see Anita at the Front Office and complete the booking online at school.

**Year 6 and 7 in 2021**
2021 will be a historic year as it is the last year that South Australian public primary schools will have Year 7. From 2022, Year 7s will be part of high school. This government decision has resulted in recent media announcements primarily around infrastructure spending in a number of government high schools.
(Continued over)
Therefore next year in 2021, NPS will have both Year 6 and Year 7 students graduating from the school. Our plans to date in 2021 are:

1) We will host 2 separate graduating ceremonies one for Year 6 and one for Year 7.
2) Both Year 6 and Year 7 students will be able to purchase a graduation jumper.
3) We currently have two official leadership opportunities at NPS, the SRC and House Captains.

In 2021, as is the case now, we have both Year 6 and Year 7 SRC reps and Year 6 and Year 7 students can ‘stand’ to be House Captains.

Year 6 students leaving in 2020
As a Department for Education School, we will offer Year 7 placements until the end of 2021.
As NPS will be teaching Year 7 students in 2021, the graduating privileges/events for our final year students, will be the Year 7 students in 2020.

What to expect in primary school
If your child is in Year 5 or 6 this year, they’ll be graduating from primary school next year.
To get ready, primary schools will be talking to you about graduation ceremonies, leadership opportunities and graduation jumpers or tops for the graduating classes of 2021.
We will be developing information packs to help our primary schools keep you informed, so stay engaged with your school to keep updated with the latest information.

Pilot high schools welcome year 7s
Our pilot program started this term, with Wirreanda Secondary School, Mitcham Girls High School and John Pirie Secondary School welcoming their first Year 7s ahead of the statewide move in 2022.
As part of this work, we’ve been speaking to families from each of the pilot schools.

What pilot families are saying
Parents and students are looking forward to the new opportunities that high school has to offer. Some parents and students feel they are ready to take the next step, and many feel primary school is no longer a challenge as Year 7 grows near. While high school is a big change in Year 7 or Year 8, the desire to grow outweighs the apprehension.
Some worries remain, such as being in a bigger school, the different expectations of workload, missing out on rites of passage and being with older students. These are topics we are also thinking about, and we’ll be working closely with your school to manage these concerns together.

Extra Curricular Sport

An email went home on Monday with the Expression of Interest forms required for the Nailsworth Primary, out of school, Netball, Basketball & Soccer teams attached. Extra forms can be collected from the stand outside Mrs Ballard’s office.

Taking part in sports is important for children as it reduces stress and enhances their mood. It builds healthy bones and muscles, increases fitness, improves sleep, helps them socialise, cooperate with others and boosts self-confidence.

Sports builds character; teaches and develops strategic thinking, leadership skills and risk taking all in a fun and healthy environment.

Please take special note of the commitment and due dates for each sport. I need to collate into teams and register with each association as required, so as not to receive added costs and fines. Many thanks

- Netball: forms due 13th March 2020
- Soccer: forms due 24th March 2020
- Basketball: forms due 1st April 2020

Let’s get active and have some fun!

Music and Drama News

Choirs, Bands and Drama Club
Please ensure registration forms are returned to the school so your child’s name can be included on the list and you can be kept updated with relevant communication.

Violin Lessons
Thank you to all those who inquired about violin lessons for their child. I am no longer able to accept any other violin students until next year.

School Incursions for Term 1
In Week 9, students in Years 1 to 4 will be treated to a Musica Viva performance by Doctor Stovepipe. The Doctor Stovepipe band combines guitar, bass, fiddle and sweet vocal harmonies. “Each appointment is a swinging dose of fun, and a demonstration of how songs evolve and change over time, as they are passed on from one musician to the next. Students learn how the simplest sounds and stories can be turned into toe-tapping tunes and can even write their own lyrics for Doctor Stovepipe to perform in the show.”

Adam Page will be visiting Nailsworth in Week 10 to do a performance and run class workshops with students in Years 5 to 7. Adam Page is an exciting contemporary performer who uses looping and beat boxing and plays a wide range of instruments. Your child will not want to miss this one so please look out for permission forms coming home later this week and be sure to return them with payment details before the due date.
